### **May 8th Business Meeting for the Canton of Tanwayour**

In attendance:

THLady Agatha of Tintagel, Lady Maggie, Lady Moira MacPherson, Lord Alastar de Coursayre, Lady Muirghein Morrison and Eblenn Zingen Meic An Ucaire, Lord Oengas MacPherson, Dame Alesia, Baroness Eloise, Baron Thorvald.

A&S Report:

The quarterly class went well last month. We have now picked and tried two recipes to be used as sausages for the Talanque Feast. We also unanimously agreed that the period andouille recipe would not be very desirable (intestines stuffed with intestines), so we are going with a late period French adaptation.

The next A&S class will be held in July by THL Agatha. She will announce it when/where later. There was also a reminder to that the June Serpent's Tongue will be on Tanwayour, so everyone is urged to make donations to Dyffed as soon as possible.

Old Business:

Talanque Tourney/Feast:

The trolls are to be fired this weekend. They will then be painted with acrylics and sealed with hairspray. They need bags to cover them (app. 3.5 x 4.5").

Talanque will be unable to attend the Tourney.

The Canton will still be doing it's donation towards maintainence/repairs on the Baronial Trailer. We are renting a porta-potty with exterior sink for the event.

Canton Positions changing:

Seneschal and Herald. The exchequer position will stay with THL Gillian until the current candidate can get the exchequer class at Collegium.

Separate polling was held for Seneschal and Herald. Alastar and Eblenn were unanimously recommended for the positions.

Upcoming items of note:

Friday night at war, at the closed ramada from 8-10pm is a Potluck Dessert Revel for the Crown Prince and Princess, Guillaume and Felinah. The populace is encouraged to attend, and bring donations of dessert or finger food items.

Their Excellencies also requested donations to use at Crown Prints Prize Tourney.

Lady Maggie also displayed some merchandising concepts that could be done with any heraldic graphic, see <http://www.cafepress.com/desteele> for examples.

The next canton meeting will be on June 12th at Lady Moira's house at 7:30pm.
