

# Canton of Tanwayour Business Meeting Minutes

## August 6, 2006

Meeting started at noon

In attendance:

Justin Brekleg, Maggie, Michael Everett, Agatha, Steven of the Emerald Forest

The stakes for the canton dragonwing pavilion are ordered and nearly ready for pickup.

Justin Brekleg's chandelier hangers for the dragonwing were demonstrated and explained (good job Justin!!!).

The scroll workshop was postponed til September 17th, noon at Agatha's house.

When is Brigade Practice in September???? (proposal: Tea/Coffee for the elders on Sunday at September War, with young'uns invited too).

The seneschal reminded all officers that she **MUST** be receiving reports submitted to the baronial/kingdom superiors by cc: or she can't claim to have seen them (cuz the only reports she's seen so far is the exchequer's quarterly reports). All reports are then left on the yahoogroups website in the files section, for any and all to read.
