

I'm adding my notes to this for Ketill to make his quarterly report easier.

[Meeting held on Sunday, June 3rd 2012.]

- Total at meeting - 10, 7 officers, 2 members, 1 newcomer
- Officers present:

Seneschal - Ellyn of Tanwyour

Exchequer - Maggie MacDonald

Herald - Michael of Tanwayour

Deputy Herald - Lorenzo de Steele

Webwright/Deputy Seneschal - Ketill rauðskeggr

Arts & Sciences - Agnes Wurtman

Chiurgeoun - Mongo MacDonald

- Anniversary - park is not open till 9am. Levy needs to send a message to as many lists as he can to let people know not to come early.
- Trailer loading will be Wednesday 6/6 at 5pm. We will need a couple of popups, about 10 tables total, both sets of thrones, some table cloths, and everything else we usually have at a tourney. Eblenn has graciously agreed to tow the trailer to the event. Since the open trailer is blocking the closed trailer at the Keep we have to move them to get at the closed trailer for our event. Eblenn has keys and will try to find someone to help her rearrange the trailers so we can load Wednesday.
- Maggie has posted the event details so I won't go into that except to say that we decided to have Golden Splendors as part of the prizes for fighters. Ellyn will make the cookies and bring at least 3 dozen splendors in appropriate containers that will also accommodate the duct tape and electrical tape (which she will buy and save her receipts)
- **Next year's anniversary is scheduled for September 22, 2013.** Eblenn and Ketill are to explore possible sites. Discussed sites include El Monte Park, Liberty Station, a really cool park Eblenn found when she was lost in south county, and there were others mentioned that I don't have in my notes. It was decided that we will have this site nailed down as soon as possible for next year so we don't run into the usual site quandary for 2013.
- Mongo turned in his warrant paper to Ellyn who will get it signed at Anniversary if possible.
- Another warrant was given to Agnes but it is not clear whether it's needed or not. We need to enquire of our Baronial Seneschal. We discussed the need to have the seneschal keep records of the officers' membership numbers and expiration dates and I think it was decided that Ketill will take care of this when he steps up.
- We did not discuss the presentations to the pointy hats but Maggie will bring the check book so we can contribute to both Baronial and Royal travel funds. Ketill has cord for both the Baronage and the Majesties. Ellyn will have more for each so that we have at least 5 or 6 award cords for each to present. Agnes did not mention the soap so Ellyn will ask her off line to see if that will also be available. (Ellyn has baskets aplenty and will bring some for the presentations.)
