Old Business

New Tabard for Herald? Not a good month, but holiday break should ease things up for Eblenn.

Anniversary theme? Middle Eastern guild is coming to demo drumming and dancing maybe - not firmed up. Brewers guild can bring sekanjabin, see if Crescent Cafe wants to come and do a Turkish coffee bar.

Cooking competition - populace to vote with a bead that we provide. Persian/Turkish/Bedouin pot luck with documentation if possible.

New Business - banner/flag. We need a new gonfannon and a silk banner for our canton presence. Ellyn will speak with Saran about silk, and she'll work on recreating the gonfannon. Eblenn will focus on the Herald's tabard.

Ketill has been voted to join the dancing at Tanwayour anniversary's Middle Eastern dance demo. He really needs to stop using the bathroom until the meeting is adjourned.

Next meeting - January 6th, same place and time.
