

## Canton of Tanwayour

2 May 2013

**Present:** Lord Ketill, Raislin (sp? aka Mongo), Lady Agnes, Lord Michael, Baron Oliver, and Baroness Kate.

**Meeting called to order at 6:10pm**

### Officer Reports

**Seneschal:** Deadline to submit a letter to TE's about the three couples is 8 May. If you are volunteering at Potrero and you have no place to put your hours, please consider the Canton of Tanwayour.

**Arts & Sciences:** Preparing donations for the arts auction. She has created 5 tablet weaving looms that she will make available for use.

**Chatelaine:** [via email] Spoke with about 10 folks about the SCA at the Escondido RenFaire. Several of which are planning on going to May War. Unfortunately all were locals or folks from the LA area so prospects for our canton are limited. I will be at the Escondido RenFaire again this weekend and will be talking to folks about the SCA.

Card design should be ready by this weekend, and then off to the printer. I will send you a proof image when the design is complete

**Chirurgeon:** Lord Michael and Lady Agnes attended the chirurgeon class taught by Lord Constantine. There will be three chirurgeons from the canton at war.

**Chronicler:** Nothing to report.

**Constable:** Nothing to report.

**Exchequer:** No changes since the last meeting.

**Herald:** Going through stuff, cleaning it up, straightening it out. Heard nothing from Eblenn about the tabard.

**Webwright:** I've heard nothing from Lord Levi about Joomla, and until I hear anything I am going to maintain the status quo. The website is there. It's awesome.

### Old Business

- Canton Anniversary. Event Steward was not present.
- Update on the tabard. Lord Michael has heard nothing from THL Eblenn

### New Business

- Time to starting thinking about stepping down gifts for Oliver and Kate as well as stepping up gifts for Their Nextellencies.
- Set date and time for the June meeting. June 2nd is Queen's Champion, but a poll of those present determined that this would not be a problem. Next meeting will be at Brothers at 12noon.

### Open Comments

Oliver and Kate thanked those present for all they do and for their hard work.

There being no additional business the meeting was adjourned at 6:30pm.
