

Tanwayour Sept 13

Present: Levy, Lili, Agnes, Eblenn, Ketill, Maggie, Robyn, Michael, & Ellyn

Seneschal - Warrants, to be an officer you must be warranted. The form is the Agreement to Serve. Hard to keep up with whose warrant expires when so the easiest thing to do will be to renew all warrants at Anniversary. Also must be a paid member of the SCA. Also, Lady Robyn has volunteered to be Deputy A&S officer. I successfully managed to walk off without any of my stuff. I've been given two publications: Big Book of Warrants & Seneschal SOP. They are the property of the Seneschal's office of the Canton. Received a message from Conrad and Aisha asking for people to be on their court. The email address is posted on the Canton's Facebook page.

Officer reports:

A&S - Was unable to make it to the Woodworking Class - was it run? We did have the class and will talk about the chairs later. At Leodamus we did have a demo, for Anniversary we have plans for Funnel Cake demo. The middle eastern guild wants a table and will be drumming and dancing and showing things off. Will we bring a basket? or just the chairs. Just the chairs. Levi and Robyn will be demo-ing making Viking glass beads.

Chatelain - 6 contacts at Leodamus FOTR, we have cards ordered but they're not here yet. Should have been here by Thursday. Can print at work if they're not here by next event.

Chiurgeon - no report nothing to report? We'll find out when Ketill checks his email.

Chronicler - Stuff is going well, she'll keep the post for another year. Ketill suggests I post the minutes in Facebook and then post it in the files section of the Yahoo. Name them so they post chronologically (2 digit month and year, then the Title.)

Constable - Nothing to report

Exchequer - \$2946.06 at the moment. Maggie stepping down and Eblenn stepping up at Anniversary

Constable - Nothing to report

Exchequer - \$2946.06 at the moment. Maggie stepping down and Eblenn stepping up at Anniversary

Herald - Tried to say nothing to report, hah! Eblenn has finished the new Tabard, packing up the Herald books for Lili to step up at Anniversary and Michael to step down.

Webmaster - we have a website and it's really awesome. Should be getting a menu from Blackened Pot for anniversary soon. Joomla software for the website is on hold per the Kingdom Seneschal

Old Business:

The Chairs - we had a class with 7 people and a lunch. Thanks Maggie for the great

lunch! the chair backs are passed on to Robyn to paint their devices. Robyn will have them done by next weekend.

Tabard is done! Gonfannon will be done for Anniversary.

Anniversary - Announcements should go up for the event on the Calafia yahoo group and facebook page. Tokens are with the event steward. Prizes? Duct Tape and electrical tape - pack of four Silver duct tape and electrical Tape for heavies, cookies for unarmored and Lili will put together a Rapier kit for prize.

Make sure the cashbox is loaded.

When are we going to schedule loading the trailer? Week before the event. Sept. 15 - Dragon wing is at the keep and Eblenn says it's dangerous to leave it there.

Thought for the champions - make Champion baldrics for the champion. We could make one for each champion with Tanwayour device and year and form We won't have for this year, but start next year.

New Business:

Dragon Wing - we need new ropes. 3/8" heavier ones. We also need the wooden pullies. At anniversary we will take measurements and count the wooden bits - Roderick found a place on line to get sisal rope really cheap.

We need stake bags and Ketill will be able to get those. Eblenn will make the wooden stuff. Ketill will buy the rope and put the knots in.

At Calafia's anniversary - we need to make presentations for TRMs - largesse. We may not have time to make presentations to the new Baron and Baroness, but we should. Maybe we can make cord and soaps for TRMs in the shape of the Caid cross. Travel funds to both couples as well. We can talk about that next month.

October meeting: 10/6/13 - time and venue to be discussed via Facebook.

Practice has moved so it's harder for fighters to go to practice. Could we change the time to start at 10 or 11? Can we also find another place? Scope the area out and post the options on Facebook - decision will be made in one week.
