Welcome to our visitors Max, and family, Micayla, & Leilani. Here courtesy of the Viking Festival last weekend.

Thanks to everyone who helped put on Anniversary, esp Ellyn, who no longer looks like a zombie. Eblenn was not able to be here but we need the final numbers for attendance and gross income. Presentation to their excellencies was a huge hit. We thought they were going to cry. Thanks everyone. Esp thanks Robyn - the devices looked great. Ellyn will contact Eblenn for the details so we have our report in time for Baronial Council meeting.

A&S - There was a lovely meal at anniversary, a great cake, from Epicuriosity (Avenel and Bronwyn's catering company). We had baronial A&S officer with a huge spread, Middle eastern guild brought lots of stuff and had drumming/dancing, Agnes showed wire weaving and funnel cake, lampwork bead making by Levi, Henna by Gemma Rosalia.

Chatelain: Had 6 sets of contacts, multiple people in each set, one large group were spanish speakers and they had a lot of neat questions.

Chiurgeon no report

Chronicler - minutes taken and published as expected

Constable - at anniv. one item found and after anniv a couple items were reported lost after the event. One is probably in the trailer.

Exchequer - injured =at war no report

Herald - Will be helping new Baronial Herald at courts. Brianna stepping down and Arianna stepping up as Baronial Court Herald.

Webright - Website is awesome, but needs to have officers updated. He needs emails from new officers. Warrants are questionable, when do we need to update? This was not made clear. We shall see if Ellyn can help organize existing warrants. He also needs the email addresses of the new officers so he can point the canton email addresses at them.

Old business. Recently had an anniversary. New champions are on website, but no information available from gate because Maggie gave it all to Eblenn, who is at GWW and couldn't be at the meeting. Chairs were a hit, lunch was outstanding. Ran out of strung tokens - Maggie says there were at least 65 people plus 7 non members who

came through gate. Who has the tabard and gonfalon? No idea. We'll ask. Eblenn probably has gonfalon, ask Lili about tabard.

Ropes for Dragonwing - eblenn wanted to keep it for Viking Fest, so Ketill couldn't keep the rope sack to start getting new ones. His job now is to get the rope bag from Eblenn and start replacing ropes.

New Business:

Dragon wing poles are drying out and splintering. The 2x4s are too small and the connector things need to be redone. They're sliding around and need to be bolted down. Wood needs sanding and varnishing. When do we want to do that? We need to get it from Eblenn and make plans to finish repairs.

Agnes suggested that when doing demos it would be nice to have a small table top stand that says "this demo courtesy of the Canton of Tanwayour, SCA" Maggie and Agnes will discuss. Maggie can do a laminated stand up thing, but Agnes wants to research something more substantial, like wood burning. She'll bring results to next meeting.

Next year's anniversary date is set but we don't know yet what it will be. We need to secure the location asap and make sure we have the grass. Expense - an extra \$150. We may want to look into other venues. Masonic halls? What about Liberty Station - don't know if that's possible or affordable. Robyn is looking into a possible alternate location and wants to know where the 501C is so she can research a new meeting site. Maggie will hunt it down for her.

Next meeting? 1st Sun in Nov is QC - that's ok as only Levi MAY attend. We're meeting Nov 3, here at the park, but Panera at grossmont in case of rain. Noon? Earlier? Can we meet at 10? Yes, but we need to be reminded.

Final score: November meeting is set for Nov 3, 10am at Briercrest Park. If it rains go to Grossmont Panera.

meeting over.
