

## Canton of Tanwayour

**5 July 2015**

**Present:** Mistress Ellyn of Tanwayour, THL Eibhlin an Ucaire, Lord Ketill rauðskeggr, Lady Agnes Wurtman, and Lord Michael de Fenne. Minutes recorded by Lord Ketill rauðskeggr.

### Officer Reports

**Seneschal:** Attended Gyldenholt anniversary. Took up the warrants and got them signed and I have given them to THL Parlane, except for mine, but I will get another one to him.

**Arts & Sciences:** We had an A&S night. Two first time visitors learned wire weaving. Mistress Ellyn will get one of them into garb after Comic Con.

**Chatelaine:** No report.

**Exchequer:** We have the same amount of money as last month which is \$3005.88. There are changes to the report system, and we will deal with it moving forward.

**Webwright/Web Chronicler:** I have dialed back the background colour for the website. I trust it is such that now Mistress Ellyn no longer wants to stab me with a spoon. (Buncha whiners.)

I was poking around the files on the server, and I found old web pages that were links to Canton Minutes from 2000 to 2004. The only problem is that the web addresses are no longer valid because they date back to the time before Tanwayour had its own website. Perhaps they are still on the Barony's server. I will talk to Darius about whether or not these files still exist on the Barony's server. If this is not the case, I fear those minutes might be lost, which will mean there are probably no minutes in existence other than the ones currently on the website.

### Old Business

**Anniversary.** The site tokens are complete. I have made 120 of them. Any that are not used I would like to be returned to me so I can dismantle them before giving them all back to Ellyn. No string was harmed in the creation of the site tokens.

As this is the last meeting before anniversary I will again solicit items for presentation to Their Excellencies. I have a basket, and there will at least be cord in it. Many other items were discussed for presentations for Their Excellencies and their Excellent Huskies.

Motion made by Mistress Ellyn to present Their Excellencies with a \$150.00 donation to the Travel Fund.

Seconded by Lady Agnes.

Motion carried.

This is the following gate fee structure:

SCA members 13 and above \$5

Non-members will be charged the SCA-mandated \$5 NMS

12 and under are guests of the Canton

This does not include what the park charges for parking.

At the July AdCom it was mentioned that SCA now wants the NMS within 10 days of the event, so this is something that Must Be taken care of sooner rather than later.

In addition to the Middle Eastern guild, I have been told my Baroness Eridana that the Traveling Scriptorium will be present. I talked to THL Curties at the June Baronial council about a Nautical Guild demo, and I got an “oh, yeah, I flagged that email” for a response. Maybe they’ll be one, maybe not. THL Giovanna also spoke to Lady Gemma Rosalia about is willing to another henna demo.

Lunch. Oy. I gave up on the Provisioners Guild. At the June Baronial council meeting I spoke to THL Rhua about the Equestrian Guild doing a fundraising lunch. That is where it is now. At this point I am not going to bother with announcing a lunch unless I hear from THL Rhua.

After a second email I have heard from the Baronial Marshal about the fighting, so that is now covered.

What is the status of the Champion baldrics? I have no idea what/how you’t prizes are handled. This means that I won’t have any unless someone else handles it. Mistress Ellyn will figure something out about you’t prizes.

We will have the Tanwayour Dragonwing and the canton gonfanon if Ellyn can find it as it is buried in her sewing room so it will probably be easier to find the Ark of the Covenant in the warehouse.

### **New Business**

- Agreements to Serve. Ellyn has handled it as mentioned above.
- Populace badge. We forgot about talking about it last month, and Baroness Eridana has been asking about whether or not we want to proceed. We will have the image available for review at the August meeting.
- The next meeting will be on Sunday, 2 August at 12noon at Allied Gardens, the same place as Arts in the Park. It will be a garbed event. Tanwayour will not have a presence at Arts in the Park.

### **Open Comments**

Meeting adjourned at 4:01 pm.
