

## **Canton of Tanwayour**

**2 August 2015**

**Present:** Mistress Ellyn of Tanwayour, Lord Ketill rauðskeggr, Lady Agnes Wurtman, and Lord Justin Brekleg. Minutes recorded by Lord Ketill rauðskeggr.

### **Officer Reports**

**Seneschal:** We have a table at Arts in the Park, because that's where we are. Last month I taught a class at the Calafia Viking Guild on the Birka stitch. I was assisted by Lady Agnes.

**Arts & Sciences:** I taught at last month's Viking Guild, and I have bags of stuff on display at Arts in the Park, as does Mistress Ellyn.

**Chatelaine:** No report.

**Exchequer:** (Submitted to Mistress Ellyn) No change from last month. I submitted the quarterly report, and received an "atta girl" from the Kingdom for doing so. According to the Kingdom there was no record of the Canton paying the Non-member surcharge for 2011 and 2013. THL Eblenn has found the canceled check from 2013, and is looking for 2011.

**Webwright/Web Chronicler:** Website was updated with minutes from last month and this month's business meeting. The date of this month's A&S night is present. I have not talked to Darius about the old minutes that might still be on the Baronial server because I am old and senile, running two upcoming events, and just became the Deputy Kingdom Webwright for the Online Calendar. Helium Hand. I has it.

### **Old Business**

**Anniversary.** THL Ebhlen informed Mistress Ellyn that the Champion baldrics are in progress and will be ready. Mistress Ellen indicated that she spoke with THL Arianne for suggestions for your prizes. Lady Agnes stated the Funnelcake demo is all set.
