Officer Reports

Seneschal (THL Eibhlin):

I went to the last Baronial council meeting. The 2018 Kingdom calendar was being created. I requested 7 April for our 2018 anniversary. This request has not yet been approved at the kingdom level. The Barony is looking for volunteers to run events.

Arts & Sciences (Lady Ása):

The A&S night went great. New person named Carlos showed up. He has been on the canton's Facebook page for some time so it was nice to finally meet him. He was making impressions in clay that he dug up himself. Cassandra and I brought embroidery and THL Eibhlin was working on a blanket. The next A&S meeting will be on Thursday, April at the library. Mistress Ellyn will be teaching 14th century card woven edging. A&S will be dark in May.

Exchequer (Mistress Ellyn):

We have \$3873.30, with nothing outstanding. There is still one outstanding check, which is not at all outstanding.

Webwright/Web Chronicler (THL Ketill):

Reminder that I will be stepping down as a Canton officer at the 22 April 2017 Anniversary. After the event I will update the website with the new list of officers and the champions.

Old Business

Anniversary. Lady Ása will need to leave shortly after opening court. THL Ketill will be handling closing court. Need to get cash for gate and to contact The Keep to get the trailer loaded. Discussion about lunch and how to set it up. We need to set up the prizes for the champions, they will be baldrics for the armoured, rapier, and unarmoured champions. Mistress is generously supplying the prizes for Yout' Combat, and she is also making cookies for the champions.

Presentations for Their Excellencies were discussed. Be afraid.

New Business
