Robert has offered to be the titular autocrat, with a great deal of assistance. Eblenn considering it. Offers were made for assistance. Alpais offered his clubhouse as a feast site. Talanque is now in a nursing home. His health is failing.

The park by his house is desirable as a tourney site. Moira will get us the park we used last year. Maggie will do the announcements to the CP & ST, and update the website. Need a contact person.

The following officers will need to be replaced in June as their terms are up:

Seneschal, Herald and Marshal

It was moved, seconded and voted unanimously that each of these current officers shall take a deputy and begin training them for the eventual assumption of the positions.

After much discussion it was decided that Lord Alastar shall deputy in the eventual hopes of taking over the office of Canton Seneschal, and Eblenn Zingen Meic An Ucaire shall deputy for the position of Canton Herald. Lord Daveed of Granada has agreed to be the Deputy Canton Exchequer (he is hoping to be able to take the required classes at Spring Collegium).

It was moved, seconded and unanimously decided that the Marshal position would not be filled for this next term of office as we do not currently hold fighter practices. For Anniversary in 2003 we will ask the Baronial Marshal to preside.

Meeting ended at 8:45pm.
