

Tanwayour Canton Meeting

Sunday 4 January 2009, Allied Gardens, 12.30p

Present: Maggie, Justin, Siobhan, Ray, Eblenn, Ellyn, Melinda

OLD BUSINESS

Planning for Anniversary (20 June) is going well.
Ellyn wants to do the Gillies class in March.

NEW BUSINESS

Ray said Rok (sp) (winner of last year's cookoff) wanted to cook the lunch for TA. Maggie says Dragon does excellent hummus and bread. Suggested we have a "siege cook-off" type of contest; supply salad fixings, fruit, and let Rok do the meat. Possible 5 items per table? Have a drawing to see what order they get to receive their supplies? MAGGIE is Vegetable-ocrat, with Melinda assisting.

Eblenn wants to know if we want to sponsor another event; it was decided she would ask for Leodamus. BREKLEG will autocrat.

What about doing lunch again at CA? Brekleg—yes, but not in the Dragonwing, do it in the Baronial.

Ketill joined the Canton!
