

Tanwayour jan 2013

Present:

Agnes - A&S

Michael - herald

Maggie - exchequer

Lorenzo - deputy herald

Ellyn - chronicler

Ketill - Seneschal

Anniversary. Who wants to change officers? Deputies are a good thing and Ketill is looking for a deputy to step up in September.

A&S nothing to report

Chatelaine. Not here, no report

Chiurgeon. No one got hurt

Chronicler. I kept the minutes and the Seneschal is purring because of my red hair

Constable. No report

Exchequer. \$2819.33. Last purchase \$314 to San Diego County parks and rec.

Herald. Nothing to report , missing tabard still. Needs updated herald docs. Ketill says talk to Timothy

Webright. Web site is there it is awesome

Old business

New tabard plan. Eblenn is doing the tabard, Ellyn is making the banner and is ready to start.

Maggie will send a method of easy appliqué quilting to assist

Anniversary. We have a site and Ellyn is autocrat. Web site? We shall have a web page set up soon. Michael wants to put recipes for funnel cake and links to other stuff on the web page.

Ketill does not want to do all that. Lorenzo says he will do it, as deputy because he can do it even when away at school.

We will have funnel cake demo. Need to have a Talenque memorial fire.

New business.

Opportunity at Comic Con to publicize our canton. SCA has combat presence but not arts. Could we provide raffle items? Like viking wire weave or something. Agnes will pursue this with Kara.

Coming up - is St Isidore happening? Not published yet in the CP. Lorenzo emailed the autocrat

Festival of the Rose. Sunday in Lyondemere. Focus should be on arts but the autocrat is solely

focused on the Cast Iron Chef part of the event. Ellyn will drive if anyone wants to car pool. Ketill will, and maybe Agnes and Maggie.

Maggie will bring back pictures of castles from Germany.

Agnes got a video camera which means that our canton could have our own you tube channel with instructible videos. We are intrigued.

Next meeting. Sunday February 3 noon at Brothers.
