

Tanwayour Meeting Minutes  
10 August 2014

Attendees:

Ketill  
Eblenn  
Agnes  
Ellyn  
Michael

Seneschal - last Baronial council meeting our Baron said they want to attend the business meetings for the subgroups but didn't say when or if they'd announce them. Probably after their wedding/baronial anniversary.

If you have an idea for the Canton please mention it at this meeting not on Facebook. We want a you tube page for canton craft videos. but can't be officially from the canton.

Off topic.

Fergus wants to record a history of the barony with old timers. Filming oral histories is a great way and it can go on YouTube. Agnes has offered to be his technical assistant. We have a dwindling supply of extant early participants to interview so time is of the essence.

Warrants are two years long but with each change we should change and/or check them. Ellyn will check the status with Farlin or Ty.

Really think it's important that if you're an officer you should at least submit a monthly report even if it's nothing to report. Haven't heard from the chatelaine in months. The Chiurgeon and herald do not report normally. If you are going to BE the officer you need to do the work. If you're unable or unwilling to do the work then the position should be made vacant.

A&S - half way through the making of the tokens for anniversary

We have a display in RSD library.

Agnes did Two demos at Arts in the park. Root beer from scratch and replicating a 9th century Viking embroidery from a find in Birka. Ketill had his Lucet stuff. Agnes is teaming up with Fergus on the oral history of Calafia.

Had Arts night on an off night and need to improve our communication.

Deputy. A&S. Nothing to report.

Chatelaine. No report.

Chiurgeon. Nothing to report

Exchequer. We have \$2824.88 in the bank. Woohoo! Haven't gotten anything from Potrero yet.

Herald. Lili will be shadowing Arianna at the next few events and get a copy of the Herald's book. She will not do all the court at Anniversary but Arianna will be in charge.

Scribe. I sent in minutes and no one objected so we think they're ok. Does the scribe continue after she becomes seneschal? No. The webwright will become the web chronicler and will be taking the minutes.

Webwright. Anniversary page has gone live. He was sent an HTML page from Robyn with how she wants it to look but has not reviewed it yet.

Canton anniversary is next. Meeting is adjourned for five minutes.

Ok back to the meeting. Wait, we are adjourned till Agnes gets back.

Old business.

Anniversary is now on kingdom web calendar, thank you Ketill. Thanks also to Muirrenn for assisting. Ketill has created an event page in Facebook and added the link to calafia, drafn, and iron brigade. Things that need to be done for post event report: gate, lunch costs.

Rings and blocks for the dragon wing are DONE! They're lovely satin black blocks and shiny silver rings. We will have all the right ropes.

Were able to reach Robyn by phone.. We have middle eastern guild doing a demo after lunch. The Provisioners guild will be doing lunch but haven't paid him yet for the food. We have agreed to pay them \$250, making that \$5 Evah for 50 lunches.

New business. Next Craft night is 8/19 6-8pm

Set up date and time for next meeting. 9/7 here at 3:00. This has to be confirmed.

Meeting adjourned at 3:27.
